Dear Parents,

Welcome to the first edition of the 2014 “Beauty Point Buzz”, our online school newsletter that is published fortnightly and sent via email to every family. This newsletter will keep you informed about the many exciting activities that your children are involved in so look out for it every second Wednesday.

On behalf of the whole school community I would like to welcome all of our new students and their families to Beauty Point Public School. I know that you will enjoy your stay at our school and find it a very positive experience. We have enrolled 312 students and have formed 13 classes this year. We have particularly had a huge influx of in-area enrolments, which has led to our highest number of classes in the school’s history.

I would like to welcome Mrs Susanna Robinson as the newest member of our staff. She joins a group of dedicated and experienced teachers at our school who support and help each child reach their full potential. A complete list of staff is included below for your information.

**Leadership Value: Be Proactive**
All parents are invited to attend an information meeting to be held on Tuesday 11th February. It is very important to attend these meetings as you will be able to meet your child’s teacher and learn about what is happening in the classroom. Please note that this is not the time to discuss individual students, rather it is the opportunity to learn about the academic focus and class routines your child’s teacher will be establishing. If you wish to talk to your child’s teacher please make an appointment. Please note that there will be additional information sessions on NSW Curriculum outcomes at P&C learning sessions. Below are the times for the information evening.

**Principal’s Welcome – School Hall – 6.00-6.15pm (Introduction to all staff for 2014)**

**KB, KD, KW, 1C, 1G, 2H, 2M – 6.15pm to 6:45pm**
**3D, 3F, 4R, 4E, 5B and 6C – 6:45pm to 7:15pm**

**Extracurricular Programs**

All K-6 students will participate in the whole school drama program in Week 3. Students will have specialised Drama and Dance lessons with Ms Amber Menard throughout 2014. Semester One will focus on the drama program, followed by the dance program in Semester Two.

**Leadership Team**

The selection of our 2014 Leadership Team was an opportunity for Years 2-5 students to participate in a democratic student election. For all other students who did not get nominated this year, there will be plenty of leadership experiences and opportunities for them as News Team Leaders and Student Representative Council representatives. As part of The Leader In Me program, all Year 6 students will have a leadership role in 2014.

**School Captains:**
Sunday Stephens & Couper Baskus

**Vice Captains:**
Sophie Mawhood & Angus McCulloch

**Prefects:**
Jessica Percy & Sam Hollingsworth

**House Captains:**

**Community Update**

The first P&C meeting for the year will be held on Monday 17th February at 7:00pm in the school hall. Parents are encouraged to attend our P&C meetings to support the educational programs and fundraising events for the school. The P&C meets twice a term on the third Monday of the month.

Finally, I welcome you to 2014. I know it will be an exciting year for your children and our staff… a year that will consolidate our reputation as a school that develops leadership resilience, academic success and emotional well-being through the implementation of the Imagination First and Leader In Me programs.

Best wishes, Shanti Clements (Principal)
FROM THE OFFICE

The staff car park is for the use of teaching and administrative staff members. For child safety reasons, we would like to give a gentle reminder that the staff car park is a child-free zone. Please do not walk through the car park or park your car (unless you have been given permission by the school for medical emergencies).

CHILDREN RECEIVING AWARDS

*Congratulations to all students who have received awards in the last fortnight!*

HAVE YOU SEEN OUR NEW WEBISTE?

We are currently in the process of updating the school website. You will notice the website has had a major overhaul of both design and content. Major changes include the inclusion of weekly class updates and a new notes & newsletters section. Copies of all notes that have been sent home will now be uploaded to the site once a week under the ‘Notes & Newsletters’ tab. Therefore if notes are misplaced parents can now download and print them directly from the website – there is no need to contact the office for extra copies. Under the ‘School years’ tab parents will now be able to view weekly updates from each stage. These updates will be completed by all classes on a rotational basis. This is a great way for our school community to view students’ work and classroom activities. Throughout the term and early next year we will continue to add content to our website including the inclusion of updated office information including frequently used forms. The Online learning tab will also be continually updated to include educational websites to use at home.

SCHOOL WATCH

“SCHOOL WATCH”

A Great Success: please consider volunteering

As you may be aware, we launched a School Watch programme at BPPS in April 2013, in response to an increase in damage to the school grounds after hours. It was proposed that the grounds be closed after school, at weekends and during the school holidays, which is the position for most Public Schools. However, the School Watch programme and increased CCTV coverage have enabled us to keep the school open for the community. It was clear that the school and local communities feel very strongly about the benefits of the school being available to children of all ages to enjoy the facilities, so we are delighted to report that the programme has been a great success. There have been no serious incidents and no reports of vandalism since the programme was launched.
School Watch involves volunteers walking through the school on Friday and Saturday evenings and on Saturday and Sunday afternoons. Volunteers are asked to walk through twice during their allocated time, checking around the grounds to ensure that nothing antisocial is occurring. In the event of any issues, volunteers simply call a security hotline and security guards are dispatched. It is important to note that volunteers are only required to report problems and are not required to address them.

**With the current list of volunteers, people are required to do a school watch patrol only about once in every 5 weeks so it really is not onerous.** However, we want to ensure that volunteer numbers stay strong. If your children use the grounds and/or you feel strongly about keeping the grounds open, do please consider volunteering. Your help would be greatly appreciated.

Please contact Ros Van Extel (rosvanextel@hotmail.com) if you would like to volunteer or would like more information.

Whether you are a School Watch volunteer or not, we ask you to keep a watchful eye over the school whenever you are there after hours. If you see anything untoward, please call the Department of Education’s Security Hotline:

**P&C MATTERS** – next P&C meeting is Monday 17 February at 7.00pm

Hello!

Welcome back. I hope you have all had a wonderful Christmas break and that you and your children are looking forward to a wonderful year at Beauty Point School.

A HUGE welcome to all the new families! Whether you have a child in Kindy or have joined the school with older children I am sure you will make as many new friends as your children will, over the next few months.

As an introduction to the school (and a reminder to us ‘old’ parents) I would like to introduce you to the P&C (Parents and Citizens Association), let you know how you can support the school, remind you how much fun you are going to have this year, and thank you in advance for participating, volunteering, and helping out. All these things make Beauty Point the fantastic community school it is.

The BPPS (Beauty Point Public School) P&C plays an active and important role in the life of the school and is established to -

- Promote the interest of the school by bringing parents, citizens, students and teaching staff into close cooperation;
- Assist in providing facilities and equipment for the school and promoting the recreation and welfare of the students at the school;
- Encourage parent and community participation in curriculum and other education issues in school;
P&C meetings are held on the 3rd Monday of each month (school term only) with the AGM held in July, which is when new office bearers are nominated.

Everyone is welcome to attend the P&C meetings, and you are invited to pay $1 to become a member for a year and acquire voting rights. At each meeting, the Principal gives the P&C an update on what’s happening at the school, we discuss concerns that may arise and we vote on how the $120,000 raised last year should be spent!

The Next P&C meeting will be held at 7.00pm on 17th February in the school hall and we hope to see you there.

Now onto this year’s fundraising efforts. Each year group is responsible for one major fundraising event, plus a stall each on Fireworks Night.

Year 1 - Family Fun Day
Year 2 - Major Fundraiser
Year 3 – Mothers’/ Fathers’ Day (alternate years) plus Easter egg hunt
Year 4 - Fireworks night
Year 5 - Athletics Carnival
Year 6 - Disco

Lauren Adlam is fundraiser coordinator and will ensure that each year has the hand over notes from the previous year. We are conscious of the time and effort required by parents to organise these events and the P&C regularly reviews the timetable to ensure that fun fundraising opportunities are balanced with community events.

Ros Van Extel (Class Parent coordinator) has been delighted with the number of volunteers she has already received for class parents but there are still gaps and there’s no such thing as too many volunteers. Please contact Ros on rosvanextel@hotmail.com if you’d like to volunteer or would like more information. A big thank you to those who have already put their names forward.

Ros also organises our School Watch Programme. This initiative, to keep the school grounds open out of hours, has been a great success but more volunteers are always needed. There is a separate note on this in this newsletter.

School uniform items can be ordered from Pickles online at http://www.youruniformshop.com.au, Place your order and the uniform items will be delivered to the classroom.

Kate Pryor will also be opening the 2nd hand uniform shop on Friday afternoons from week 2 (instead of Friday mornings). If you have any uniform that you can donate to the uniform shop please drop it off then.

School lunches can be ordered for Mondays and Thursdays through Fleximeals website https://www.flexischools.com.au

These are delivered to the canteen and are put into class room baskets by Year 1 volunteer parents for the children to collect at Lunch time. We are looking for a Year 1 Lunch coordinator to organise the roster, plus some parents who can spare an hour at lunch time on Mondays and/or Thursdays (you don’t have to do every week!) to hand the lunches out. Please let me know if you could help out with this.

Finally, check out the P&C blog for latest updates and to view the minutes of the last meeting http://beautypointpnc.blogspot.com.au

I look forward to seeing you at school, or at the next P&C meeting.
