Dear Parents,

The teachers have prepared a list of stationary items to prepare your children who are entering Year 2 in 2014.

Having all these items at the start of the new school year allows for a seamless start to the year.

Your child will need:

- A pencil case (not too big- some pencil cases take up half their desks-about half the size of an A4 page)
- HB lead pencils (x3)
- Coloured pencils (no textas please)
- Zoom Twist Crayons
- Pencil sharpener with barrel to catch sharpenings
- White erasers
- 4 glue sticks
- 3 whiteboard markers
- 2 highlighters
- 1 red pen
- 2 boxes of tissues
- Recorder for home use (purchase from Mall Music  *approx. $10.00*)

Many of these items make great Christmas presents or stocking fillers. For example, if a relative or family friend wonders what to get, this list could come in handy.

There is a web site which monograms your child’s pencils: [www.bargains4kids.com.au](http://www.bargains4kids.com.au)
This is wonderful because your child permanently has their name at the top of their pencil.

Thank you,

Kevin Gallagher
Assistant Principal K-2
